

# Father-Daughter Engineering Day

SPONSORED BY FIRST® ROBOTICS TEAM 4967  
THAT ONE TEAM (OUR NEXT ENGINEERS)

Do you have a 9-14 year old daughter who is curious about science and engineering? Are you looking for an activity to do together where you can learn more about robotics, spend time together, and build with LEGO®, all in one fun-filled afternoon? We will introduce you and your daughter to robotics using the LEGO NXT® programmable brick, and together you will build and program a robot to perform a variety of tasks.

Join Us at the Plainfield Township Library  
2650 5 Mile Rd NE  
Grand Rapids, MI

June 28, 2014

1:00pm-4:00pm

**FREE!** (registration limited - don't wait!)

Register by calling 616-929-8432

or email [events@thatoneteam.org](mailto:events@thatoneteam.org)

Registration deadline: June 25, 2014

isn't he cute? :)

## About Paradise Teams

Paradise Teams is an organization sponsoring robotics teams for students from ages 6-18. We compete through FIRST® Robotics, and strive to provide a fun and educational experience that instills positive values and an appreciation for science and technology. Want to know more? email us at [info@paradiseteams.org](mailto:info@paradiseteams.org), or call 616-929-8432.

## Fun!

Take it from us, building and programming robots is a blast. Science girls rock the world!

## Inspiring!

Come learn from other girls (and some pretty cool guys) who love science and technology, AND get to spend some awesome father-daughter time together.

## The Scoop:

- Plainfield Township Library
- June 28 1-4pm
- For girls ages 9-14 and their Dads
- FREE! (Call by June 25 to register)
- Win a LEGO® Prize!
